

Notes – CEDEN User Group Meeting

Date: January 19, 2017

Item No.	Item
1	<u>Welcome</u>
2	<u>Updates</u> <i>Assessment page update</i>
	<u>Notes:</u> The assessment page has been updated to include a link to a worksheet that lists files that have been submitted to CEDEN, but not yet uploaded to CEDEN.
3	<u>Upcoming Project Report</u> <i>Review an upcoming report that aims to allow users to see when data has been added to CEDEN by project.</i>
	<u>Notes:</u> The CEDEN Team created a new report that tracks changes in the number of results per project. The report can be found at http://ceden.org/CEDEN_checker/Checker/ProjectCountRpt.php .
4	<u>Template-Related Updates</u> <i>Review the changes associated with the template update process.</i>
	<u>Notes:</u> The data entry templates and guidance documents have been updated to reflect changes initiated by the 2016 Template review process. Some other changes were made as well.
5	<u>Wrap Up</u> <i>Next meeting: February 16, 2017</i>
	<u>Notes:</u> There was a request to present information on the Open and Transparent Water Data Act (AB 1755). While the CEDEN Team will not be ready to discuss this at the February meeting, the Team will present information on this topic in the future.
